I'm a goddess with a blade 소리쳐봐 내 이름 잊지 못하게 Loud, loud, loud, loud I could take it to the top
절대 멈추지 못해 내가 끝내주는 Bad gal, gal, gal

[Madison Beer:]
And when I start to talk like that (like that) Oh you won't know how to react I'm a picture-perfect face
With that wild in my veins You can hear it in my Growl, growl, growl, growl

[Miyeon:]
So keep your eyes on me now 무엇을 보든 좋아할 거야 닿을 수 없는 level 나와 대결 원한 널 확신해
We got it all in our hands now So can you handle what we're all about? We're so tough Not scared to show you up
Can you feel the rush now?

[All:]
Ain't nobody bringing us Down, down, down, down, down, down They could try but we're gonna wear the crown You could go another round Round, round, round, round, round, round Wish you luck but you're not bringing us down
We go hard (hard) 'til we get it, get it We go hard (hard). We so in it, in it We pop stars (pop stars), only winning, winning now Ain't nobody bringing us down, down, down, down
